Join us for a Clergy Recovery Ministry Orientation

Cost: \$45 including lunch (RSVP by Oct 29, \$60 at the door)

The Governor has asked the church to become partners in recovery to overcome the drug crisis. This training is focused on informing and equipping church leaders to answer the call and join in a network of collaboration.

During this day event, you will be able to:

- Network with other clergy interested in ending this opioid crisis
- Connected to other Christian experts in this field and Christ-Centered ministries
- Hear about the four different phases of recovery; prevention, treatment, healing/recovery, aftercare/life mission
- Learn different tools for inner healing and grief ministry
- Hear case management stories and the holistic approach to healing and recovery
- Ways to collaborate and continue the conversation

This event is presented by the Good Samaritan Network and led by Pastor Kathie Saari who is joined by a few others, all who are certified and experienced at applying the training in a church ministry setting.
